PROVIDER ELIGIBILITY

- Childcare Providers must have a valid childcare license and be in compliance with all licensing regulations and free from investigation by the licensing office or any other agency.

CONDITIONS OF THE AWARD (PROVIDER)

- The Childcare Provider agrees to abide by the conditions described herein or to otherwise notify 10,000 Degrees in writing. ***Without written notification to the contrary, it is presumed that the Provider is adhering to all policies and procedures stated herein.***

- Providers must contact 10,000 Degrees if they cannot continue to provide childcare for the childcare scholarship recipient.
- Childcare Providers must be willing to allow 10,000 Degrees staff to visit their facilities.
- Childcare Providers that make fraudulent claims are responsible for reimbursing 10,000 Degrees and may be referred to local law enforcement authorities.

- If the scholarship award amount does not cover monthly childcare tuition or any other childcare associated costs, it is the parent's (scholarship recipient) responsibility to cover any remaining balances.
- It is the parent's (scholarship recipient) responsibility to communicate with the provider about any changes to their scholarship award.
- It is the parent's (scholarship recipient) responsibility to communicate any changes in childcare fees to 10,000 Degrees as soon as they become aware.
