10,000 Degrees: Making College Possible for Those Furthest from Opportunity

10,000 Degrees is unlocking student success at scale by giving more students from low-income backgrounds equitable opportunities for a quality college education and career success.

After working with more than **80,000 students** across **250 colleges** over the past **45 years**, and awarding more than **\$113 million in scholarships**, we have a clear viewpoint on what it takes to achieve student success at scale and break the cycle of generational poverty.

The value of education is indisputable, but getting through college has never been more complex. And for our students from low-income backgrounds, systemic barriers make it even more impossible for them to graduate—or even apply to college—widening the gap between low- and high-income students.

10,000 Degrees bridges this **Education Opportunity Divide** not by focusing on the select few, but by providing a wider range of students with expansive opportunities at every stage of their college journey. We shift the focus from limited college access to holistic college *success*—emphasizing whole communities, life preparedness, and wrap-around support for each student.

With your support, 10,000 Degrees students continue to defy all odds!

- **80% graduate**—double the national average
- **2x transfer rate**: Community college students transfer & graduate at twice the national rate
- **90% of our students graduate debt-free** compared to 31% nationally
- **\$9.6M** in scholarships awarded
- **\$73M** in additional free financial aid leveraged
- **4,400 college students** received scholarships + support this year

Why sponsor the ONE Amazing Community Gala?

10,000 Degrees impacts more students and communities, achieving exceptional success rates.

- **Local Impact**: Moves the needle in your community
- **Wrap-around Support**: Proven holistic Unbound Opportunity Model with near-peer mentors
- **Data-driven Outcomes**: Highest ROI and broad community reach
- **Seasoned Leadership**: Alumni leaders, near-peer mentors, and strong governance

Thank you for being part of our ONE Amazing Community!
